# ARAVALI

ARAVALI works upon:

- HUMAN AND INSTITUTIONAL CAPACITY ENHANCEMENT : Capacity enhancement of NGOs through delivery of training ,System & Process strengthening and focus on livelihoods of the poorest.
- ACTION RESEARCH AND KNOWLEDGE GENERATION: Undertaking field demonstration, Research Studies, Rapid Feedback Assessment of Programme /project /schemes.
- INNOVATION FOR LIVELIHOOD PROMOTION: Working with the poorest through family livelihood.

# VISION AND MISSION OF ARAVALI

**VISION** - *To ensure that the benefits of development reach the poor in particular and the people in general it is necessary the government and NGOs pool their strengths and become partners“.*

**MISSION**-*ARAVALI intends to ensure that there are an increased number of effective voluntary organisations working closely with marginalized communities in every district of Rajasthan and that an enabling environment is developed within which the government and these organizations can form effective partnerships.*

# Our Topic

## **How to establish Child Labour Free Zones**

- *A child labour free zone is a defined area, such as a village or a plantation or a institutional area, where everyone is convinced that ‘No child should be working, every child should be in school!’*
- *Teachers, local authorities, village leaders, employers, parents and children in these zones work together to get children out of work and into school.*
- *Child labour is no longer accepted because all children are entitled to good, full-time education.*

# CHILD LABOUR FREE ZONE

- *The CLFZ concept originates in Ranga Reddy, where MV Foundation began working activities on the issue of child labour in 1971 in Rajasthan ARAVALI leading this process.*
- *Has now developed into worldwide Stop Child Labour movement with many faces and features.*
- *CLFZ projects: India, Uganda, Ghana, Kenya, Zimbabwe, Morocco, Ethiopia, Mali, Senegal, Burkin Faso, Nicaragua, Turkey.*

# Area based approach- **Child Labour Free Zone**

- *This approach build upon following Principles*
  - *All children must attained formal full time school.*
  - *Any children out school is a ( potential ) child labour.*
  - *Any justification of child labour must be condemned.*
  - *Parent wants a better future for their children.*

**STOP**

**Child Labour**  
school is the best place to work

# FIELD WORK

## Child right department

- *Visited the child right department, Jaipur .*
- *we had a conversation with Mr. Anirudh, he explain about the child labour act 1986*
- *According to act 1986 had prohibited the employment of children below age of 14 in hazardous occupation identified in a list by the law which has been revised in 2016. The number of hazardous occupations and processes has been reduced from 83 to only 3.*

# CHILD WELFARE COMMITTEE

*It is the sole authority to deal with matters concerning children in need of care and protection.*

*It follow the following procedure:*

- They rescue children from the clutches of unscrupulous employers.*
- then they are repatriated to there native place till repatriation they are kept in shelter homes or children's home*

## Shelter home

- 32 shelter homes in rajasthan-4 are in jaipur
- Out of 4 one is specially for girls

## Children's home

- 90+ all over rajasthan
- 30 are in jaipur

# Recent rescue

*Twenty-seven child labourers, have been rescued from a bread factory in Anantpura Jaipur.*

- children, aged between 14 and 17 years, were made to work for over 12 hours a day in hazardous conditions.*
- The raid was carried out by anti-human trafficking unit .*
- 25 of the rescued children were from Bihar and two from Uttar Pradesh. They were brought to work here by a private contractor about two months ago.*

**STOP**

**Child Labour**  
school is the best place to work

- ***“The children were found working as bonded labourers in hazardous conditions. They wore old, torn clothes even in the cold conditions. They were being given little food.***
- ***A case were later produced before the Child Welfare Committee (CWC) that sent them to shelters homes.***
- ***A case has been lodged against the owner of the bread factory and the private contractor .***

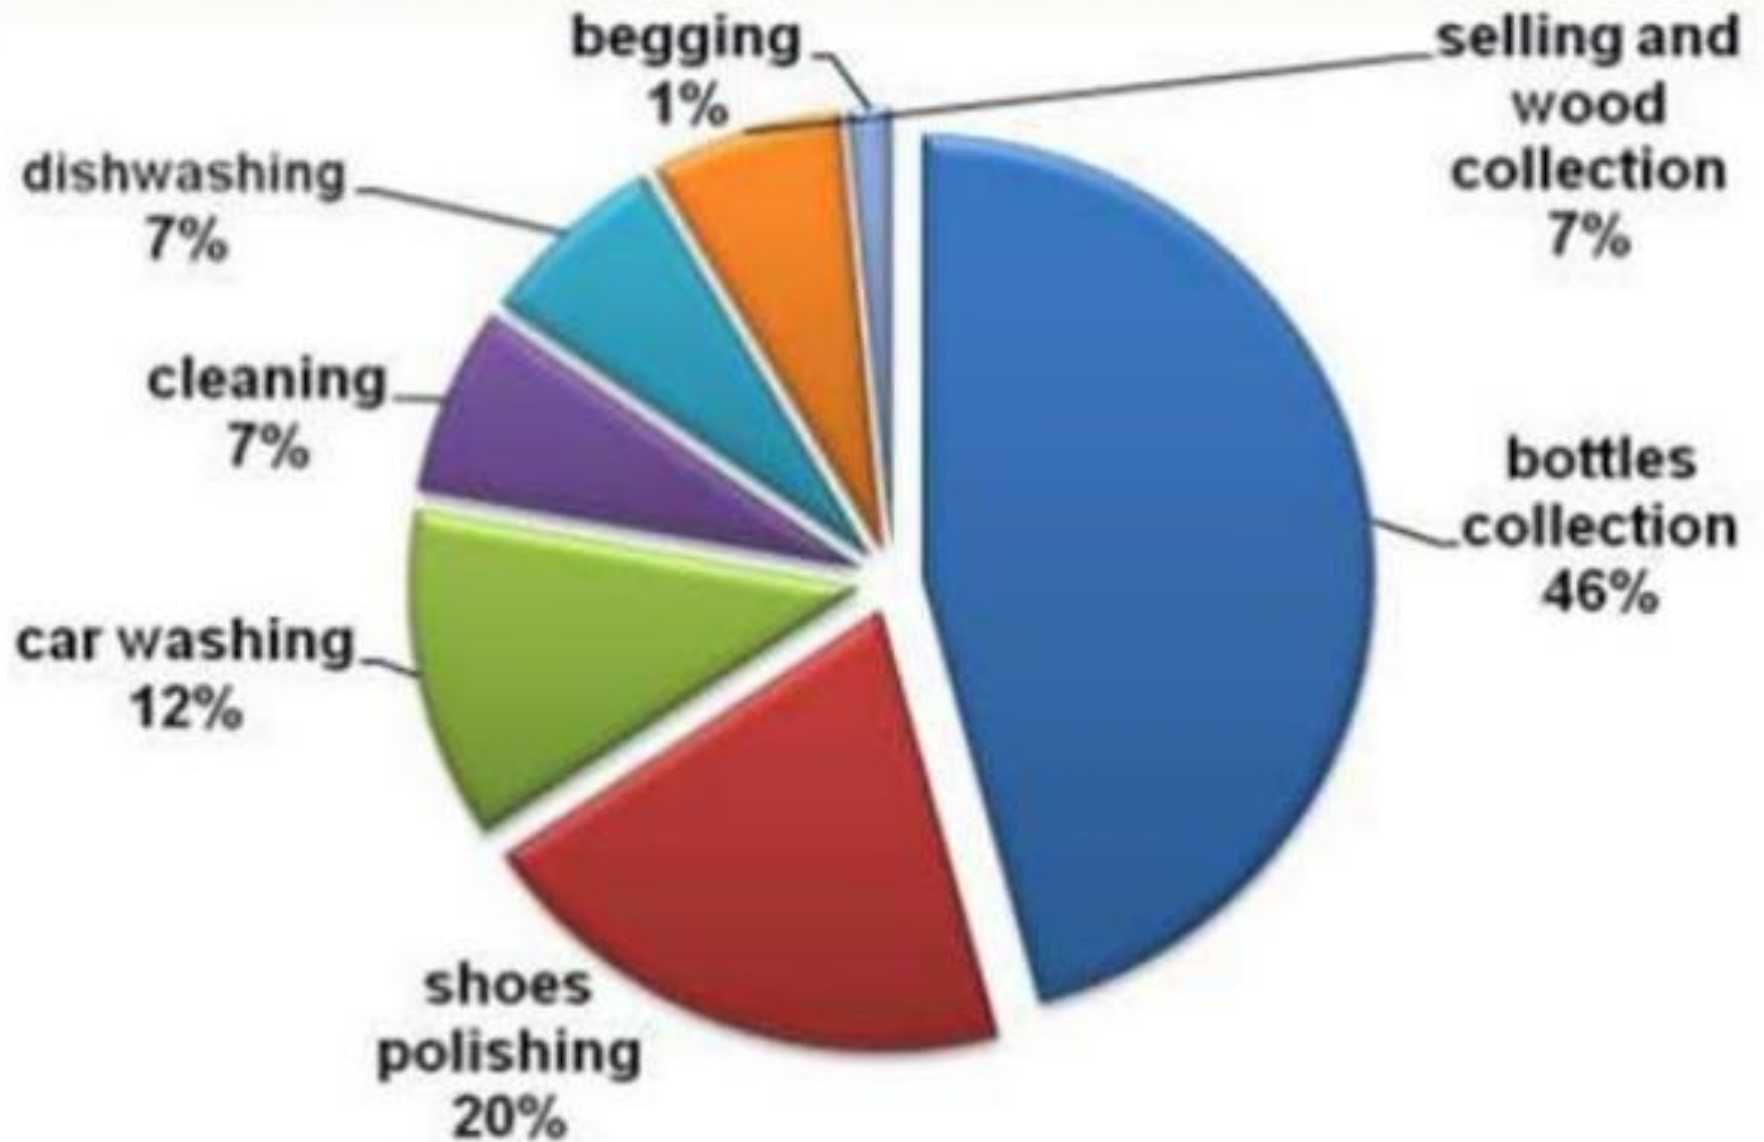

OUR

school is the best place to work

# CHILD LABOUR IN INDIA

# FACTS ABOUT CHILD LABOUR

- One in every 11 children in India is work.
- Child labour has been decreasing at the rate of 2.2% per year from 2001 to 2011.
- 80% of working children are based in rural area.
- More child labour are done in 5 state – Bihar ,Uttar Pradesh ,Rajasthan , Madhya Pradesh and Maharashtra.

# Learning

- Engage to eradicate from society
- Start from our home and then to our locality
- Initiate dialogue where we have seen it
- Every child is important
- Now we are sensitized about the importance of childhood as it came once in life time

# Suggestion

- *We can call on no. 1098*
- *In smart city project government should also consider about the poor children who are beggars*
- *The youth should make more awareness among the society so that no child will become a labour.*
- *The society should not take any child for their work in house, offices, labors illiterate etc.*
