We are in 38 | | | villages

Benefitting

10,76,421 children

We are in 38,111 villages

22 states of India

Secret of our Success

- Community support
- Transparency
- 6000 dedicated full time volunteers
- Local ownership of the activity
- Effective Control & Monitoring

Choice of Ekal villages

- Higher deprived population
- Lower literacy rate
- More social isolation
- Increased share of population in agriculture
- 770 sample villages in 7 states

Impact: Functional skills

- Reduced drop out rate
- Reduced out of school children
- Language, maths, science
- Social awareness
- Physical education (yoga, games)
- Moral and value education
- Good habits
- Discipline
- Patriotism

- Vaccination
- Reduced alcoholism
- Awareness of safe drinking water
- Improved food habits
- Stop superstitious beliefs
- Increase in health seeking behavior

- Use of toilets
- Cutting nails
- Use of slippers
- Brushing teeth
- Clean clothes

- Increased development awareness of communities
- Increased discipline of EV children, parents and non-EV children and parents
- Approaching government officials for personal and village problems

Way forward

- Reach 100,000 villages
- Motivating people of Ekal villages for organic food production with Marketing linkages in nearest towns
- Reviving local health care traditions
- Empowering India by establishing “ Gram Swaraj – Self governance ” - *As desired by Mahatma Gandhi.*

Thanks
