Parodh Balawas

Centre for Child Education and Development

First Green
Hostel in India

Capacity of 100 children
from std. 1 to 12

“PARODH” Child Education and Development Centre

- Migration to Brick factories and salt pans is very common in the villages
- Lack of education facilities for children of such families
- The organization provides residential education and development facilities for 40 such children at present in rented building.
- Our aim to increase the capacity of this facility to 100 children with constructing new building (cost of new building is app. 5 cr. \$640000) was fulfilled this year.

	Particulars	Required Donation	
1	Dormitory Hostel 530 sq.ft X 8 Blocks	Rs. 5,00,000	\$ 8,333.00
